Extension Director Search

- National search has begun
- Goal is to name a new director by spring 2019
- Barry Barnett will chair the search committee
- Committee members include:
 - Greg Comer, KACAA; Judi O'Bryan, KAFCS; Mike Meyer, KAE4-HA; Heather Norman-Burgdolf, Dept. of Dietetics & Human Nutrition; Kenny Burdine, Dept. of Ag Economics; Marisa Aull, NEP; & Ken Jones, PSD
 - For a complete list, see the November College Monthly

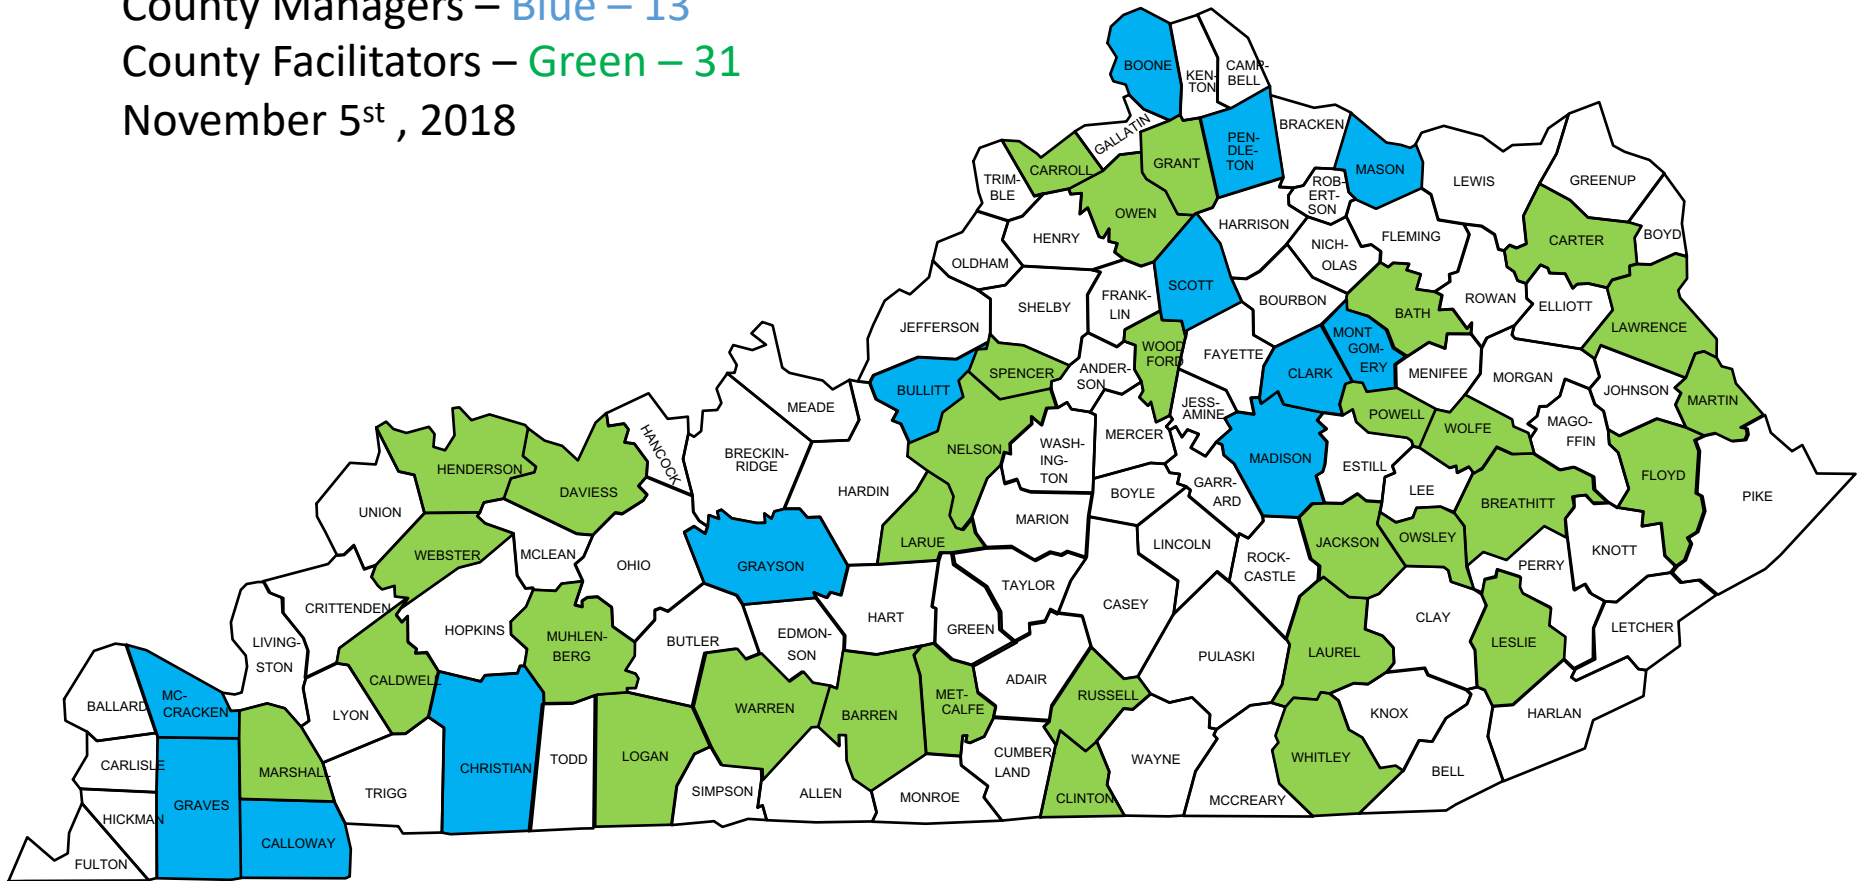

KACO Regional Conferences

- 86 local officials attended
- Represented 56 counties
- 99% of participants “strongly agreed” or “agreed” that the conferences were useful, effective and met their needs!
- Thanks to everyone who presented
- Some of the comments:
 - One of the most interesting courses you [KACO] have had
 - Excellent course
 - Informative class
 - I had no idea the Extension Service offered so many diverse services
 - Well organized
 - Good information. I had no idea of the resources that are available to me and the county

November 5st , 2018

2-Factor Authentication

- It helps to protect your account by requiring a code in addition to your password when you log into MyUK
- Is currently optional, but will be mandatory in summer 2019
- You can turn it on via the UK Account manager
<https://ukam.uky.edu>
- Requires a phone with texting or a smartphone with the free Duo app
- Once enabled, you only have to change your password once a year instead of every 90 days!
- It cannot be disabled once activated
- Setup instructions and FAQ can be found at
<https://www.uky.edu/its/ittakes2>

Phishing and Impersonation

- Quite a few new phishing and impersonation attempts have been seen recently
- Be especially careful of what links you click on and what attachments you open
- Always check the email address and not just the name! Just because the name is someone you know, doesn't mean it is that person
- Be very suspicious of anything asking for passwords or money
- UK will NEVER ask you for your password via email
- Send spam emails to isthisemailsaf@uky.edu

Outlook on Mobile

- In the near future, UK will make email programs require modern authentication and some mail apps do not support this
- We recommend using Outlook to connect to your email instead of the built in mail app
- Outlook will make it look more similar to what you are using in the Office
- Outlook also seems to be better about opening shared calendars
- You can download it for free from the Apple app store or the Google Play store
- Make sure you are logging in with your linkblue username@uky.edu and not your firstname.lastname@uky.edu address (e.g. rahaye0@uky.edu)
- If you have questions or have trouble setting it up, contact your DEITC

Florida Hurricane Response

- Hurricane Michael was the strongest storm to hit Florida's panhandle in over 100 years
- While all UF/IFAS Extension faculty and staff emerged safe and sound, many suffered damage to their homes and some UF/IFAS facilities suffered damage, including the North Florida Research and Education Center in Marianna
- To learn more about what you can do to help, visit www.ifashhurricanerelief.com

Financial Operations Update

- All county employees have been trained and are using the TRIP system for all travel reimbursements (effective Oct 1, 2018)
- EFO is working to schedule monthly in-service trainings for new county staff and/or as a refresher for existing staff
- TRIP training resources can be found at:
<http://cafebusinesscenter.ca.uky.edu/content/trip-travel-reimbursements>
- TRIP reports are first routed to the traveler's direct supervisor as recorded in SAP-HR for approval
- TRIP reports are then routed to the appropriate budget officer for review and approval
 - Lisa Bowen is reviewing last names A-L
 - Kim King is reviewing last names M-Z
 - If issues are found, they will "revise" in TRIP and also send an email to the traveler with a copy to their respective district support staff

Financial Operations Updates

- Policy & Procedure reminders have been, and will continue to be, sent from EFO to keep staff informed of all travel related policies
 - Airfare cost comparisons from Concur prior to travel are required when:
 - Purchasing an airline ticket through an alternate vendor and using personal funds
 - Combining business with personal travel and using personal funds
 - Driving over 400 miles one-way to destination and using personal funds
 - If there are questions, call district support staff or EFO
 - Effective December 1, 2018 (for November travel), all travel receipts must have a notation designating how the expense was paid
 - “Paid by County/3rd Party”, employee initials and date
 - “Paid by Employee”, employee initials and date
 - Counties may order stamps if necessary to make the same notation
- If any receipt is missing this notation, the TRIP report will be returned to the traveler

Financial Operations Updates

- All meals outside per diem will require a memo from the District Director which will document the employee's required attendance and a brief business purpose for the event/meal.
 - This will only be applicable to special business related events held at association conferences (e.g. State's Night Out) – all other meals outside of per diem are prohibited.
 - For any other special meal situation, see your District Director for guidance.
- From E-5-1, insurance on domestic rental vehicles is provided by the University's Actual Cash Value Comprehensive and Collision coverage plan. Collision deductible waiver (CDW) or any other additional insurance is **not** a reimbursable domestic travel expense.

Financial Operations Updates

- KERS update – work is being done to create a new county vehicle mileage log similar to those required for personal vehicles. More info to come on when these will be implemented and how they will be processed for review.
- Fiscal Coordinator/Facilitators will continue to review travel documents after they have been submitted to the supervisor for approval.
- Remind all staff that the travel document should be printed and provided to the fiscal contact in order to record the expenses in the county's financial records

Financial Operations Updates

- QuickBooks Online (QBO)
 - 5 pilot counties are currently using QBO successfully (Bell, Breathitt, Christian, Scott and Todd)
 - Modifications to the chart of accounts have been made as a result of pilot county feedback
 - Standardized reports have been modified as a result of pilot county feedback
 - EFO is in the process of developing training materials, QBO website resources, video tutorials, and training programs for QBO
- Implementation of QBO is slated to start in January with the first district going live Feb 1
- We will roll-out across the state district by district with the last two going live July 1
- EFO will email counties to collect general county info to establish the accounts in QBO
- Communication to come from EFO regarding the implementation

Financial Operations Updates

- Compliance
 - EFO is in the process of updating and/or adding policies & procedures for financial related processed
 - Cash Handling is the first one to have been completely drafted and is currently under review
 - EFO is working to develop training materials and a training program to train all county staff on policies and procedures

Update District Board Members

- Please send an updated list of district board members to Jeff Young – jyoung@uky.edu
- We are planning a quarterly newsletter for DB members
