

Extension Community Assessment Focus Group

1. What is your vision for a more vibrant county?
2. Based on your experiences, what would you say are the most pressing issues of this county in the next four years?
3. How do these issues affect you or your neighbors? How does this issue relate to other parts of the county?
4. Based on your experiences, what holds us back from addressing these issues?
5. What information or resources are needed to address the issues?
6. “Given everything discussed, what final thoughts would you add on being a vibrant county?”
