

**Learning Opportunities and Indicators in the  
Connected & Resilient Communities (Adult) Concentration Area**

The table below provides an overview of the Learning Opportunities in the Connected & Resilient Communities (Adult) concentration area and the specific indicators used to evaluate them. Please reference this table to evaluate and report program outcomes in the Kentucky Extension Reporting System (KERS).

*Extension agents should contact specialists in this concentration area for guidance on how to evaluate learning opportunities in this area.*

| Learning Opportunities                    | Short-Term Indicators |        |        |        |        |
|---|-----------------------|--------|--------|--------|--------|
|   | 401.19                | 401.20 | 401.27 | 401.28 | 401.29 |
| In the Face of Disaster                   | X                     |        |        |        |        |
| Digital Literacy Curriculum               |                       |        |        |        | X      |
| SPARK! Toolkit                            |                       | X      | X      | X      |        |
| Rural Placemaking Toolkit                 |                       | X      | X      | X      |        |
| Building Community: Pop-Up Events         |                       | X      | X      | X      |        |
| Creative Community Projects               |                       | X      | X      | X      |        |
| Community Mural Toolkit                   |                       | X      | X      | X      |        |
| Building Engagement through Story Circles |                       | X      | X      | X      |        |
| First Impressions                         |                       | X      |        | X      | X      |
| Seeing the Story                          |                       |        |        | X      | X      |

| Learning Opportunities                    | Medium-Term Indicators |        |        |        |        |        |
|---|------------------------|--------|--------|--------|--------|--------|
|   | 401.18                 | 401.21 | 401.22 | 401.23 | 401.24 | 401.25 |
| In the Face of Disaster                   |                        |        | X      |        |        |        |
| Digital Literacy Curriculum               | X                      | X      |        |        |        |        |
| SPARK! Toolkit                            |                        |        |        | X      |        |        |
| Rural Placemaking Toolkit                 |                        |        |        | X      |        |        |
| Building Community: Pop-Up Events         |                        |        |        | X      |        |        |
| Creative Community Projects               |                        |        |        | X      |        |        |
| Community Mural Toolkit                   |                        |        |        | X      |        |        |
| Building Engagement through Story Circles |                        |        |        |        |        |        |
| First Impressions                         |                        |        |        | X      | X      | X      |
| Seeing the Story                          |                        |        |        |        |        |        |
